### LOCAL BUSINESS SAVES TIME AND MONEY STRETCH YOUR DOLLAR FURTHER...

Knowledge of technology takes time and expertise. Let us recommend a computer solution for your home or business. Free data transfer is included on all new system purchases. We recommend upgrades and changes to your existing computer to help speed it up and extend its life if possible to avoid replacing a useful machine. When it is time for replacement, we accept recycling of your old computer, laptop or even TV for free!
