We're proud to offer secure, automated billing to our customers. Automated billing is one less bill to write a check for, carry to the Post Office, buy stamps for, and drop off before they close. What automated billing does is automatically keep your account current, and your Internet running. Automated billing means peace of mind with a safe and secure online transaction every month!

Customer Authorization Form For Automated Billing

all fields must be filled in full

Authorization Agreement For Preauthorized Automatic Withdrawals

I/we hereby authorize Tiger Mountain Technologies (hereafter referred to as TMT), to initiate either my/our CHECKING or SAVINGS account as indicated below, and hereby authorize the Financial Institution named below to debit \$_____ to TMT on the 10th of every month.
